AN ILLUSTRIOUS VISITOR.

M. P. Bro. GEORGE FLEMING MOORE, Sov. ∴ Grand Commander of the Supreme Council for the Southern Masonic Jurisdiction, U. S. A., was introduced by Past Sov. ∴ Gr. ∴ Commanders I. H. STEARNS and SIR JOHN GIBSON.

Ill. ∴ Bro. ∴ Stearns, as the Representative in this district for the past nearly eighteen years of the Southern Supreme Council, expressed his pride and satisfaction in having this opportunity of introducing Sov. ∴ Gr. ∴ Commander Moore on the occasion of his first visit to the Supreme Council for Canada.

In acknowledging the introduction, the Sov. ∴ Grand Commander said:

MOST PUISSANT SOVEREIGN GRAND COMMANDER MOORE:

It is to me a great pleasure to receive you today as the Sovereign Grand Commander of the Supreme Council for the Southern Jurisdiction of the United States of America—the Mother Supreme Council of the World. Your promise to visit us last year in the City of Ottawa, if possible, we could scarcely have hoped you to fulfil, for the meeting of your Supreme Council frequently takes place in the same week as that of the Supreme Council for Canada. So that while we did not expect you last year we have looked forward with pleasure to your being with us this, the triennial year.

Your Illustrious General Albert Pike instituted this Supreme Council in 1874. Since then we have been honored by a visit from your immediate predecessor, Most Puissant Sovereign

Grand Commander JAMES D. RICHARDSON. You, Sir, are not unknown to us. Many of us have known you for years in a literary capacity, but, today, we welcome you, not only as the Sovereign Grand Commander of the Mother Supreme Council of the world, but as an Honorary Member of this Supreme Council.

I have the most pleasant recollections of my two visits to Washington, one to the Conference of the Supreme Councils of the World, and the other, when with Ill : Bro : DR. WEBSTER, at the time of the Dedication of the House of the Temple in 1915, I had the pleasure of witnessing the dignified and perfect way in which each one of your officers performed his part in that great ceremony, and afterwards in the Supreme Council. I wish to thank you for the courteous attention shown us on that occasion and the uniform kindness of all your members.

It is most pleasing to us all that you should be presented by our beloved Past Sovereign Grand Commander Stearns, the representative of your Jurisdiction to this Supreme Council. We trust, Sir, that by the receipt of your circulars and other correspondence he will be kept more closely in touch with your Council than heretofore, and we know that in him you have truly a representative.

We ask you, Most Puissant Sovereign Grand Commander, to make yourself at home amongst us, and anything that we can do to that end will be cheerfully done by us.

Will you please approach the Throne?

The Illustrious visitor, with his usual kindly eloquence, made the following reply:

MOST PUISSANT SOVEREIGN GRAND COMMANDER AND
BRETHREN:

I thank you for this fraternal reception and kindly greeting in the name of the Brethren who belong to the great Jurisdiction over which I have the honour to preside.

Permit me to thank you, also, for the distinction which you have conferred on me by electing me one of your Honorary Members. I am glad to have this opportunity of expressing in this presence, my deep appreciation of the honour.

I have made the journey from Washington to attend this session of the Supreme Council for the Dominion of Canada not only because I **promised** you, Brother Sovereign Grand Commander, to do so, but because my duty to our beloved Scottish Rite of Freemasonry seemed to demand it. And why did duty thus impel me? First because you, Sovereign Grand Commander, and Brothers Gibson and Stearns, have given us, our Supreme Council, the encouragement of your presence at our sessions, and I desire for myself and my Brethren to show **our** appreciation of your visits and to be "neighborly" by returning the calls.

But there is another reason. There are only six English-speaking Supreme Councils of the Ancient and Accepted Scottish Rite in the world. Three in Great Britain, that of England and Wales, of Scotland, and of Ireland; and three in North America, that for the Southern Jurisdiction of the United States, that for the Northern Jurisdiction, and this Council for the Dominion of Canada.

Your Council is not the weakest nor the smallest of these governing bodies. Chartered by England, the Mother Country, it was our great Grand Commander Albert Pike who sat in the East at Ottawa on the 16th day of October, 1874, forty-two years ago, and administered the oath of office to your first Sovereign Grand Commander, Thomas Douglas Harington, and the other officers of this Council. No wonder that we regard your progress and prosperity with affectionate pride, and that it has delighted me as one of the successors of Albert Pike to visit you.

Your growth, like that of the Rite in my own country, has been phenomenal. Brother BALLARD'S figures (your Grand Secretary-General) in the last volume of your Transactions

show that last year you had 4,349 Perfect Elus, or as you term them, "Grand Elect Perfect and Sublime Masons," which means that about seven per cent. of the Master-Masons of the Dominion have entered the Scottish Rite. In my own native State we cannot, I think, proclaim so high a percentage among the members of the Blue Lodges. But making the estimate for our own country, all of the United States, the proportion of Scottish Rite Masons among the Master Masons is about twelve per cent. In some States, however, the proportion is much larger, for in Pennsylvania the proportion of Scottish Rite Masons among the membership of the York or American Rite, is about twenty-two per cent. We in our country may be making Scottish Rite Masons too fast, but if so, is not Canada following us as a good second?

But why should we not receive into our ranks any Master Mason who is proven to be a true man? Have we not work to do in the world, and do we not need these men in order to accomplish our task? Are not the lessons of Brotherhood, of belief in the Fatherhood of God, and in the Immortality of the Soul needed today more than in any other period of the world's history?

England—Great Britain—and the United States have been at peace for more than a hundred years. There are no great guns guarding the borders of the United States and Canada, nor is the tramp of soldiers heard along the thousands of miles of our frontiers. But we Scottish Rite Masons must not be contented with this condition, splendid as it is, for it is **our** duty to join our hands, hearts and efforts to prepare for the day when all nations will seek **peace**, when all the powers and forces of the earth must be used to keep in subjugation the overweening greed, the vaulting ambitions and the destructive instincts which find their satisfaction in the hell of war.

My Brethren, we speak the same language; our laws, the rules of our civil conduct, are derived from the same source; the Common Law of England, with its wholesome doctrines of human rights and individual responsibility, and our ideals and

purposes as Scottish Rite Masons, are identical. Let us, therefore, strive to make REAL and ACTUAL in our lives, in the life of the State, and in that of the nations, those high ideals and noble purposes taught by our degrees. Let us try to aid in bringing in the day when Peace on Earth and Good Will to Men will reign in, and over, this, our world, our "Star in the Heavens."

Early this morning I left my hotel for a short walk and went into a small park just across the street from it. I had never been in this park. The mist hung low, and in the gloom I came upon a splendid monument, which I discovered from an inscription on it was erected to commemorate the valor of the Canadian soldiers who fell in the South African war. Dimly visible and high up on its side was the inscription in Latin: "Imperium et Libertas," The Empire and Liberty. Seen in the mist of the morning before the rising sun had cleared the vision of it, there seemed in it a prophesy. Not only is it a grand motto for the great British Empire, but one for the Scottish Rite of Freemasonry. The ancient books of our Order speak of its "Empire," the "Holy Empire," which will come among men when justice, right and truth reign, and liberty, free conscience, free thought and free speech will be forever secured and maintained, not only in the **British** Empire and in the great Republic of the **United States**, but among ALL THE NATIONS.

The Sovereign Grand Commander then delivered his Annual Address as follows:

To the Supreme Council of the A .: and A .: Scottish Rite for the Dominion of Canada.

PEERS AND BRETHREN:

It is with gratitude to our Heavenly Father that we are permitted to again meet in the City of Montreal, the metropolis of Canada, the largest and wealthiest city in our Dominion. While we enjoy our visits to other cities, and I think it is a very wise regulation that we are permitted two years out of three to

meet our brethren in other valleys and in other Provinces, yet we always look forward with pleasure to our meetings in the Grand East of this Supreme Council, where we are so warmly received and so royally entertained.

Montreal was the home of Past Sovereign Grand Commander WILLIAM HENRY HUTTON, long gone from our midst, and is still the home of our dearly beloved Past Sovereign Grand Commander ISAAC HENRY STEARNS who is with us to-day and who, we hope, will be spared to meet with us for many years to come.

I trust the meeting this year may be one of unalloyed pleasure to us, and of profit to the Ancient and Accepted Scottish Rite.

While the cause of oppressed and suffering humanity in other lands has never appealed to us so strongly as it does to-day, yet we can with joyful hearts meet our brethren of the different Provinces in our Jurisdiction in the knowledge that peace and prosperity prevail all over the Dominion. There has not been the slightest discord between bodies of the Rite, nor even among its individual members.

I have not been called upon to give a ruling during the past year.

THE WAR.

Uppermost in the minds of us all, continues to be the constant thought of the world war, now in its third year of progress. Having regard to the principles at stake, and the consequences of a defeat of the Allies, there is singular unanimity among our people as to the righteousness of our cause, and the absolute necessity of carrying on the struggle until a complete victory shall have been secured, and the enemy compelled to submit to terms that will protect the civilized world from the consequences of a madman Monarch's uncontrollable ambition to dominate the world. We know what Prussian ascendancy would mean, what the doctrine of "Might is Right" implies,

what a negation of the fundamental principles of our Christian religion is involved in the Kultur to be substituted therefor. We cannot submit to a change in our modern freedom for submission to mediæval absolutism, liberty for tyranny, or the rights of the people for humble submission to the uncontrolled will of the despot. No, we must fight on side by side with our mother country, our sister Dominions and our Allies until complete victory is achieved. But oh! my brethren, the awful sacrifices that have been, must be, and will be made. The daily announcements are full of sad details of our soldiers, the flower of our manhood, bravely facing the foe and falling at the battle front. Canada has everlasting justification for pride in the gallantry of her sons, their prowess in battle, resourcefulness in emergencies, and determination to fight on to the end; and this feeling of pride is strengthened and intensified by the oft repeated expressions of admiration from the highest British military authorities as well as the Old Country newspaper press. Future history will be replete with the causes at the bottom of the origin of this world-wide struggle, as well as the awful events in its progress.

The end is not yet, though there appear to be good grounds for encouragement and the hope of the ultimate victory for the Allied arms. The righteousness of our cause is proven by the demonstration given to the world of a British Empire united completely as never before.

NECROLOGY.

We have every reason to thank Almighty God that so many of us are spared to meet in Supreme Council at this time. It must be expected that year after year our brethren will be called to the Great Beyond. Most of us, twenty-five to forty years ago, were young men, but are now getting into the sear and yellow leaf of old age and we must be ready for the final summons.

Illustrious Brother DONALD MCPHIE 33°, was taken from us on the 9th day of August. The notice of his death has been sent to you so recently that I do not deem it necessary to go into

further details at this time. A pretty full account of our brother's life and work will be found in the "In Memoriam" pages of this year's proceedings. We shall miss him from our midst.

THE NORTHERN MASONIC JURISDICTION, U. S. A.—Illustrious Brother ROSCOE ORLANDO HAWKINS 33°, died on September the 24th at Indianapolis. Brother Hawkins was an active member of the Supreme Council for the Northern Masonic Jurisdiction.

MARSH OLIN PERKINS 33°, Vermont, died February the 10th, 1916. He received his degrees in the Scottish Rite in 1874 and 1875. His Masonic career was a most brilliant one. He was a Past Grand Master of the Grand Lodge of Vermont, Past Grand High Priest Grand Chapter of Vermont, Past Grand Commander of the Grand Commandery and an active member of the Supreme Council for twenty-five years.

GEORGE W. KENDRICK, JR., 33°, died very suddenly in Philadelphia on the 26th February, 1916.

Brother Kendrick was made a member of the Supreme Council in 1891 and crowned an Active Member in 1906.

NEWTON DARLING ARNOLD 33°, died at his summer home near Providence, Rhode Island, on the 13th August, 1916.

Brother Arnold was for nearly thirty-four years an active member of the Supreme Council, was a prominent worker in all branches of Masonry and beloved by all who knew him.

COLON, CUBA.—Sovereign Grand Commander MANUEL S. CASTELLANOS 33° died on the 6th January, 1916. He was born in 1846, educated in Havana, where he began his course in medicine, which he finished in Paris. He became a Mason in Paris in 1866 and was made an Active Member of the Supreme Council for Colon in 1882, and was elected its Sovereign Grand Commander in 1908. He was a delegate to the Conference at Washington in 1912, and was made one of its Vice-Presidents.

JOSE F. PELLON 33°, Grand Minister of State for Colon, died on the 3rd July. He was a most prominent Mason, being a Past Grand Master of the Grand Lodge of Colon, Grand Representative of the Grand Lodges of Belgium, Colorado, Peru, and Porto Rico, and Grand Representative of the Supreme Councils for Brazil, Scotland and Venezuela.

ITALY.—Sovereign Grand Commander SAVERIO FERA 33° died at Florence, Italy, on the 2nd January, 1916. Brother Fera was the Representative of this Supreme Council to that of Italy. He was at the Conference in Washington in 1912, and was known to many members of this Council.

PORTUGAL—Announces the death of ANTONIO GOMEZ DE SALVO PINTO 33°, active member, also VALANTINE PINTO FERREIRA 33°, and DR. CAETANO DOMINGO FRIEXCOTE DROLHE 33°.

IRELAND—Sends notice of the death of Illustrious Brother CHETWODE CRAWLEY 33°, Grand Chancellor, who died 13th March, 1916.

Brother Crawley's name is well known to the Masonic world. He was at the time of his death Grand Treasurer of the Grand Lodge of Ireland.

Illustrious Brother FLETCHER MOORE 33°, Lieutenant Grand Commander of the Supreme Council for Ireland, President of the Grand Chapter of Prince Masons, Past Provincial Grand Master of the Grand Lodge of Wicklow and Wexford, and a valued member of the Scottish Rite. Brother Moore died on the 19th May.

CHILE—Illustrious Brother BANICIO ALAMOS GONZALES 33° died on the 23rd September, 1915. He was devoted to Masonry and his work is fully set forth by Sovereign Grand Commander VICTOR G. EWING 33°.

URUGUAY—Illustrious Brother DR. JUAN PAULLIER 33°, an active member of the Supreme Council.

NETHERLANDS—Illustrious Brother H. VENDER VELDE 33° a Grand Inspector-General of that Council.

FRATERNAL VISITS.

Through the courtesy and at the request of Sovereign Grand Commander BARTON SMITH, I was enabled to pay several visits in the Northern Jurisdiction of the United States, the first of these being to Pittsburgh on the 16th, 17th and 18th September, 1915, in company with Illustrious Brothers DR. A. F. WEBSTER 33°, JOHN McKNIGHT 33°, W. P. RYRIE 33°, WILTON C. EDDIS 33°, and Thomas D. BAILEY 32°. We witnessed the work of the different degrees from 14° to 32° given to a class of candidates numbering four hundred and fifty-four, of apparently the best men in Pittsburgh and its vicinity. The work seemed faultless, the music was excellent and the kindness shown by the Pittsburgh brethren could not be surpassed.

I attended the Re-union of the Scottish Rite Bodies in Buffalo for two days in December last. I had been made an Honorary Member of Lodge of Perfection, Council of Princes of Jerusalem, Chapter of Rose Croix and Consistory some time previous to my visit. I saw the work of the various degrees beautifully exemplified and the music was excellent; but what appealed to me most was, that in these strenuous times, and in Buffalo with its large German population, the orchestra played "God Save the King" and "The Maple Leaf Forever," and a choir of over thirty members, nearly, if not all, Germans, sang for me, especially, their German Love Song, which they stated they sing only for those they love. I was escorted from the Consistory Room in company with Illustrious Brother GEORGE KELLY STAPLES 33°, Commander-in-Chief and his officers, with the Canadian flag on my right and Old Glory on his left, amidst the cheers and plaudits of several hundred members of the Rite, showing how Masonry can break down the greatest barriers and where people of different faiths and of different nations can still love one another.

If we had more Masonry of the right kind in Germany and Austria during the past forty years I question if the horrible war now going on would ever have taken place.

I visited Rochester, in May last, and attended the meeting of the Chapter and Consistory. Of the latter body I am an Honorary Member. The work was excellent and I received the usual courtesies for which Rochester is famous.

ANNUAL MEETING OF THE SUPREME COUNCIL NORTHERN MASONIC
JURISDICTION OF THE UNITED STATES OF AMERICA.

I attended the meetings of this Supreme Council, on the 18th, 19th, 20th and 21st September, in Pittsburgh, the home of our dearly beloved Brother JAMES ISAAC BUCHANAN 33°, and of many Pittsburgh brethren who are almost Canadians, living as they do for many months each year in Cobourg, Muskoka and the Parry Sound and Nipissing districts. I was accompanied on my visit to Pittsburgh by SIR JOHN and Lady Gibson, DR. and MRS. WEBSTER and Illustrious Brother W. P. RYRIE. The meetings of the Supreme Council were very interesting and instructive. It was a pleasure to see how Sovereign Grand Commander Barton Smith handled such a large body of Masons, with divergent views, but always winding up with the utmost harmony.

At this meeting were present the three Sovereign Grand Commanders of the American Continent, Barton Smith of the Northern Jurisdiction; GEORGE F. MOORE, of the Southern; BENJAMIN ALLEN, of Canada; as well as Past Sovereign Grand Commander Sir John Morison Gibson, of our own Supreme Council.

I desire to express my thanks, and if you will permit me, those of this Supreme Council, to not only the members of the Supreme Council for the Northern Jurisdiction but also to the brethren and ladies of Pittsburgh for the great kindness shown to us, and particularly to the ladies of our party. Illustrious Brother FAGER SHIDLE, 33° and his wife and Illustrious Brother GEORGE McCANDLESS 33° and his wife, assisted by many others, devoted their whole time to the Canadian contingent.

I am probably taking up too much of your time with matters belonging to sister Jurisdictions, but I do not think there is anything that cements more firmly the friendships between the two nations than these interchanges of visits.

REPRESENTATIVES.

A Supreme Council calling itself The Supreme Council of the Argentine Republic, and of which Most Puissant Brother FRANCESCO GICCA 33° is the Sovereign Grand Commander, submitted to me the names of three brethren from which to select a representative. I did not accept any of the names, as I think Brother Gicca was expelled by the Supreme Council for Argentina last year, and it is difficult to learn which Supreme Council is the legitimate one.

I accepted the name of Illustrious Brother LUIGI DINI 33° as our representative to the Supreme Council for Italy, in the place of Illustrious Brother FERA 33° deceased.

SCOTLAND.

The Supreme Council for Scotland appointed Illustrious Brother THOMAS LEES 33°, of Hamilton, as their representative to this Supreme Council. We could not have a more acceptable representative from Scotland.

BELGIUM.

In accordance with the resolution passed by this Supreme Council last year, I sent a draft on Paris for 11763.50 francs, payable to COUNT GOBLET D'ALVIELLA 33° for the aid of Belgium. Brother D'Alviella acknowledged the receipt of the money and wishes me to express to this Supreme Council his appreciation and his thanks and those of all the Belgian brethren for the noble gift.

ITALY.

I received notice of the election of Professor LEONARDO RICCIARDI 33° as Sovereign Grand Commander for nine years in the place of the late Sovereign Grand Commander FERA.

ARGENTINA.

I received notice from this Council that Sovereign Grand Commander GICCA 33°, having retired from that office on the 13th August, 1915, the Supreme Council elected new officers, and giving a full list of the names showing Illustrious Brother VINCENTI BIAGINI 33° Sovereign Grand Commander, and DR. JUAN CAMIE 33° Secretary-General.

This Council also sent notice of the expulsion of Illustrious Brother MARTIN V. LASCANO 33° for contumacy, defamation, perjury, Masonic rebellion, etc.

Argentina, by a resolution on October 19th, 1915, decided to correspond with this Supreme Council with reference to an exchange of representatives between the Grand Lodge of Manitoba and the Supreme Council for Argentina, and asked for the Masonic standing of the Grand Lodge of Manitoba. I replied, that the Supreme Council for Canada did not in any way interfere with any Grand Lodge of Blue Masons, and that the Grand Lodge of Manitoba was recognized by practically all the legitimate Grand Lodges of the world.

I also received a notice of the desire of Argentina Supreme Council to celebrate the One Hundredth Anniversary of the State by a convention of Masons to be held in Buenos Aires in July, 1916. I asked our Secretary-General to extend the greetings of this Supreme Council and to express the hope that their deliberations would result in greater harmony amongst the Masonic bodies in that State and the amicable arrangement for one Supreme Council instead of two or three as at the present time.

I received still another letter from a Supreme Council 33° of which Most Puissant Brother DIONATI BROGIA 33° is the Sovereign Grand Commander, notifying me of the expulsion of many members of the Supreme Council for Argentina and stating that these expelled brethren had formed a Supreme Council under the Presidency of Excellent Brother JUAN A. GOLGARINI

33°. They ask for the intervention of the Conference of Supreme Councils and claim their Council is the regularly constituted one.

Sovereign Grand Commander Golfarini 33° sent me a circular letter stating, that in compliance with the resolutions adopted at the International Conference in Brussels, he announces the result of the election of officers and he gives the names and fac-simile signatures of eight brethren, including E. JORGE 33° as Grand Secretary.

It will be seen that it is almost impossible to keep pace with the rapid changes in the Argentine Republic. I have given too much space to that State.

MEXICO.

I received a circular dated 29th January, 1916, from the Supreme Council for Mexico, stating that owing to the fact that several brethren of the 33°, had taken up their residence in other countries, their names were erased from the roll of membership. Some twenty-one names were given, with the understanding that if they return to the Jurisdiction they should be restored to full membership.

Another circular of the same date from Mexico stating that owing to the evil conduct of certain brethren, causing disgrace and humiliation to Mexican Masonry, after a Commission had been appointed and after full investigation, thirty-two brethren, some of them of high rank, were expelled from the Order. The brethren ranked from 4° to 33°.

PORTUGAL AND ITS DOMINIONS.

This Council notified me of the change of address of their offices to Rue S. Pedro Alcaretara 55 Lisbon. The Sovereign Grand Commander DE CASTRO states that his Council is legitimately recognized as forming a part of the Confederation of powers of the A ∴ & A ∴ S ∴ Rite by the treaty of Lausanne in 1875, and requests us to continue to send Correspondence Annuals and other publications.

This Council is not recognized by us.

SWITZERLAND.

I have had two letters from this Council, one asking to have the proposed Conference of the Supreme Councils of the world, which was to have taken place in Lausanne in 1917, postponed until 1918, because of the unsettled state of the different countries surrounding Switzerland on account of the war, and asking for a reply.

I did not reply, as I thought it better to refer this to our Supreme Council at this Session.

I much fear matters will be too unsettled even in 1918.

Another letter under same date from Switzerland, asking for all propositions to be brought before the Conference for the establishing the unity of the Rite, and also asking for the signs, tokens, words and arcana, or secret work, to be sent one year at least before the Conference.

I did not reply to this letter, as it and the former were only received by me in August.

These matters should, I think, be taken up by the proper Committee of this Supreme Council. I did not like to take the responsibility of ordering a full compliance with Switzerland's request, particularly in regard to the secret work.

ENGLAND AND WALES.

A brother in the Jurisdiction of England and Wales, who had been stationed in Canada for about four years, wishing to round out, what he termed a brilliant Masonic career, asked to be elected an Honorary Member of our Supreme Council, and stated that England would confer the thirty-third degree upon him at the request of Canada. This brother did very good work while in Canada, yet I did not think he was entitled to the 33°, I instructed the Secretary-General to write England if it was their wish that the brother be elected. England replied very courteously, but as the brother had not been a resident of Canada for over twenty years, he was out of our jurisdiction.

GREECE.

The Sovereign Grand Commander of Greece wrote complaining of my address to you last year, and of the report of the Committee thereon, as contained on page 55 of the proceedings of 1915. He strongly objected to the words used. The report reads as follows:

“The application of the Supreme Council for Greece for assistance on behalf of Serbia is somewhat difficult of solution, owing to the unsatisfactory condition of the relations between Great Britain and Greece, and the uncertainty as to what stand the latter proposes to take in the war.

“Your Committee does not suppose we could entrust financial assistance to Masons of an enemy nation for distribution among the brethren of one of the Allied powers, and unless our aid could be sent to Serbia through some other agency, your Committee believes that the proposal must remain in abeyance, or be referred with power to act to the above-mentioned Committee composed of the Sovereign Grand Commander and his two predecessors.”

I think in justice to our brethren of Greece, Sovereign Grand Commander CEPHALAS' letter, as well as my reply, and his acknowledgement of the same, should be embodied in the proceedings, so that the world may know that it was not a lack of confidence in the honesty of the brethren of Greece, but a lack of confidence in their ability to distribute assistance to the people of Serbia.

Sovereign Grand Commander Cephalas' letter is as follows:

Supreme Confederated Council 33°,
A. ∴ & A. ∴ Scottish Rite for Greece.

No. 33.

Orient of Athens, April 13th, 1916.

To the Supreme Council 33° for Canada.

VERY PUISSANT BROTHER, SOV. ∴ GRAND COMMANDER:

I hasten to acknowledge the receipt of the two copies of the proceedings of your Supreme Council for the year 1915, and to fraternally thank you for the same.

The Supreme Council of the 33° for Greece, not without deep regret, has noticed on page 55 of this document, the offensive manner in which your Sovereign Grand Commander, through the Special Commission, expresses himself in regard to the Greek nation in referring to our appeal in behalf of Serbia.

The above-mentioned Committee, not only characterizes Greece as a "nation hostile" to Great Britain, but it goes so far as to say that it feels that the Supreme Council of Canada cannot entrust to the Supreme Council of Greece a sum of money to be distributed to the Serbians.

Excuse me, Most Puissant Brother, for not entering into a discussion of political questions, which the Supreme Council for Greece has always avoided, or for not examining the question whether and to what extent the actions of Masonic beneficence must be subordinated to subjective political valuations. If the Supreme Council of the 33° for Greece, **contrary to its principles**, which it has always known how to respect, has addressed to Universal Masonry its appeal, it was the result of an express entreaty from the Supreme Council of Serbia which, as you must know, was created by us, as moreover we did not fail to set forth in a clear and positive manner in our aforementioned circular, of which I herewith send a copy.

The Supreme Council of Greece, even in the trying moments through which the Greek nation was passing during two victorious wars and just at the time when on its territory hundreds of thousands of refugees were to be found, abstained from asking any pecuniary assistance whatever from foreign Masonry, when it came to the assistance of these unfortunates, among whom were also Masons. The Supreme Council of the Southern Jurisdiction of the United States of America alone, **on its own initiative**, was good enough to place at our disposal for the Red Cross the sum of \$100.

It was, moreover, very natural that the brethren of the Supreme Council for Serbia should appeal to universal Masonry through the channel of the Supreme Council for Greece, for reasons which, we think, cannot escape your notice.

Not only have we been its founders, but also, and this is in our opinion the most important point, at the time of sending the circular in question communications between the two countries were extremely easy, and furthermore a considerable number of Serbian Masons and also members of the Supreme Council were in Greek territory.

I pass now to the unfortunate phrase of your Commission, "Not suppose that we could entrust financial assistance to the Masons of an enemy nation," etc.

You must admit, Most Puissant Brother, that it could produce only the most deplorable impression, for not only does it hurt our feelings, but it shows a certain distrust with regard to us, the reason for which it would be difficult to discover.

Before touching the question whether the Greek nation is hostile to Great Britain, I must protest as vigorously as possible in the name of the Supreme Council for Greece, against that expression as offensive, as indelicate, with regard to a Federated Supreme Council, with which yours since its foundation, has entertained the most cordial relations.

A mark of such distrust, we think, cannot be addressed to a Scottish Supreme Council; for in that case it is to admit that this Exalted Body would be in conflict with the sublime precepts which it teaches to the Masons under its control.

We like to think that this expression must have already been regretted, even by the two signatories of the report in question, and disavowed by the very Illustrious Members of the Supreme Council for Canada.

As regards the phrase "hostile nation," you will excuse me, Most Puissant Brother if I consider it equally out of place.

Without wishing to enter into particulars with regard to the attitude of the Greek government towards the Entente Powers, through its benevolent neutrality, particulars which we do not fully know, and which are outside the scope of the pre-

sent communication, we cannot, nevertheless, in our capacity as Greeks, but protest emphatically against the erroneous assertion of your Commission, which considers that Greece is **an enemy** of Great Britain.

We think it our duty to declare to you in the clearest and most categorical manner that Greece and the Greeks have known at all times how to preserve for Great Britain, as well as for the two other great protecting Powers, her allies, France and Russia, a feeling of deep gratitude and appreciation for all that they had done in behalf of Greece since Navarino to the last wars in 1912 and 1913. And this feeling of gratitude is still deeper towards Great Britain particularly, which in 1914 ceded to Greece the Ionian Isles.

We and all the Greeks from the Premier to the last citizen, have known, since our tenderest childhood, how to pronounce with grateful feelings the names of Lord Byron, Church, Canning, Cochran, Codrington, Gladstone and other English friends of Greece, who on many occasions had rendered signal services to our country, which on its side, has known how to honor them by erecting to some of them statues in the Hellenic capital.

It would be, then, not only an injustice, but also a proof of ignorance of contemporary history to call Greece "a hostile nation of Great Britain," whilst it has never omitted an opportunity to show to her, as manifestly as possible, the feelings of gratitude and recognition which it entertains towards this great protecting nation.

The mere fact that Great Britain is the enemy of the Turks and the Bulgarians, our traditional and most implacable enemies, would be sufficient to wish only for her triumph.

The Supreme Council of Greece has felt it its duty imposed upon it to address to you these few lines, in the form of a protest, against expressions which could only hurt the feelings of its members and the Greek Masons in general, hoping that you will kindly give them all the attention which they deserve.

Meanwhile I beg you, Very Puissant and Very Illustrious Sovereign Grand Commander, to accept the expression of our fraternal and most distinguished sentiments.

By order of the Grand Chancellor,

Secretary-General,

P. D. GIURANOVITCH 33°.

I replied as follows:

33 Melinda Street,

Toronto, 9th June, 1916

J. E. CEPHALAS, ESQ., 33°,

Sovereign Grand Commander Supreme Council for
Greece, Athens.

MOST PUISSANT AND DEAR BROTHER:

I am in receipt of a letter dated 13th April, apparently dictated by you, although it does not bear your signature, in regard to the report of the Special Committee on my address to the Supreme Council for Canada in the proceedings for 1915, with reference to the request of the Supreme Council for Greece for assistance on behalf of Serbia.

I hasten to assure you that we have the greatest love for the brethren of Greece, as well as those of Serbia, Belgium, France, etc., and we have every confidence that any funds **received** by the Supreme Council for Greece would have been properly disposed of.

The Committee on my Address referred to the unsatisfactory relations at that time existing between Greece and Great Britain, "and there is very little improvement at the present time." It was perhaps unfortunate that the words "Enemy Nation" were used in the report, and I express my regret that you feel offended by the use of them. Yet the stand taken by Greece, even at the present time, with regard to her former ally,

Serbia, is not to our thinking of the most satisfactory character. I candidly admit, however, that instead of the complained-of words, it would have been more in accordance with my views if your country had been referred to as a country whose relationship to Great Britain was not by any means unequivocally friendly.

I am not going to enter into political questions; my only object being to assure the brethren of Greece, through you, that, while we have every confidence in the members of the Scottish Rite, and in fact of all branches of the Masonic Order, yet we did not think it advisable to send assistance to Serbia, through Greece, under the then existing circumstances, for before the arrival of the money Athens might have been like Belgrade, devastated by war.

Let me express the hope that the friendly relations, which have for so long existed, not only between the Supreme Councils for Greece and Canada, but also between Greece and Great Britain, as nations, may become stronger than ever; and, that as at the present time, the friendly relations existing between all the Supreme Councils of the world may long continue. Turkey is the only nation with which we are in affiliation that is **openly** on the side of our enemy, and, practically, there is no Supreme Council in existence in that country at the present time.

I sincerely hope that this horrible and uncalled-for war may speedily be brought to a close in such a manner that there will never be another opportunity of might prevailing over right.

Again let me assure you of our love and esteem for the people of Greece, and believe me,

Yours fraternally,

BENJAMIN ALLEN 33°,

Sovereign Grand Commander,
Supreme Council for Canada.

To this Sovereign Grand Commander Cephalas replied as follows:

Athens, 24th July, 1916.

To the Supreme Council 33° for the Dominion of Canada.

V. PUIS., V. ILL. AND V. DEAR SOVEREIGN GRAND COMMANDER:

I have your fraternal communication of 9th June last and I set myself to express to you, as well in my own name as in that of the Supreme Council 33° for Greece, my best thanks for the explanations which you have been so kind as to furnish us on the subject of the unhappy expressions contained in the report of the Committee appointed to reply to your allocution.

As a result of the contents of your communication above-mentioned, which we deem satisfactory, the incident, which had so unhappily arisen between our two high bodies, and which had threatened for a moment to disturb the fraternal relations so long existing between our two Supreme Councils, by degenerating into a conflict, is considered completely closed and the amicable relations are thus happily maintained.

We also on our part pray that the Most Holy and Grand Architect of the Universe may very soon put an end to this terrible fratricidal war and that eternal peace may reign in the world thereafter.

And I pray you V. Puis., V. Ill., and V. Dear Bro. to kindly receive, with our thanks, the new expression of my most distinguished sentiments, as well as fraternal salutations, etc.

J. S. E. CEPHALAS,

Sovereign Grand Commander
Supreme Council 33° for Greece.

J. S. E. Cephalas,
17 Rue de Bucarest,
Athens,
Greece.

I need not enlarge upon the matter further, unless it be to state that the relations between Greece and the Allied Nations, even at the time of writing this report, are not of the most satisfactory character.

No doubt a large portion of the people of Greece are favorable to the Allies, yet, Greece, as a Nation, has not been, and it will only be when compelled by his own subjects or by the Allied powers, that the King of Greece will cast in his lot with Great Britain, France and Serbia, her former Allies and her best friends.

HOME AFFAIRS.

I think under this heading my first duty should be to report upon the health of one of our members, Senator JAMES KIRKPATRICK KERR, You will remember that last year I reported to you that Brother Kerr had been stricken with a serious illness. I regret to state that there is no improvement and I much fear his days are numbered. Brother Kerr was one of the officers of this Supreme Council immediately after its formation in 1874, and a regular attendant during the latter years.

DISPENSATIONS.

I refused to grant a dispensation to a Consistory to allow candidates to receive the 19° four months after receiving the 18°.

I refused to ask Sovereign Grand Commander GEORGE F. MOORE 33°, of Washington, to grant a dispensation permitting the bodies in Los Angeles to confer degrees upon two brethren from Canada who visit the south annually, and who are not present when the degrees are being worked in their home city.

I granted a dispensation to several brethren in Windsor and vicinity to open a Lodge of Perfection in Windsor, having first received the consent of the London Lodge of Perfection, which would be affected by the new body.

I granted a dispensation to members of the Rite in Regina, Saskatchewan, to open a Chapter of Rose Croix in that city.

I granted a dispensation to brethren in Fort William and Port Arthur to open a Lodge of Perfection in Fort William. The request for the dispensation was signed by the best men in the community, and the prospects for the success of the Rite in that part of the country are bright. Sault Ste. Marie Lodge of Perfection waived jurisdiction over that part of their territory.

BY-LAWS.

I approved of the By-laws of Sault Ste. Marie Lodge of Perfection.

WARRANTS.

I signed the Warrant for Sault Ste. Marie Chapter of Rose Croix.

VISITATIONS.

Having promised the brethren of Montreal to visit them, a meeting of Hochelaga Lodge of Perfection was arranged for the 24th January last. Although I was very ill at the time, I got out of bed in order that I might keep my promise, which was to me more than a "scrap of paper." I was well repaid for going. The meeting was an excellent one, the attendance being very large. Twelve candidates received the 14° in a faultless manner at the hands of Illustrious Brother A. B. WOOD and his officers. Amongst those present were Past Sovereign Grand Commander ISAAC H. STEARNS 33°, Illustrious Brothers TOOKE 33°, CAMERON 33° and CHARTERS 33°, members of this Supreme Council. On the occasion of my visit I was elected an Honorary Member of the Lodge of Perfection and subsequently of the Hochelaga Chapter of Rose Croix and the Montreal Sovereign Consistory. I appreciate these honors very much.

I visited the Moore Consistory, Hamilton, on the 27th and 28th of January and witnessed the work of the various degrees, some of which were put on for the first time. The work was exceedingly well done and the attendance large.

The banquet at the close of the re-union in the Royal Connaught Hotel was presided over by Past Sovereign Grand Commander SIR JOHN M. GIBSON 33°

I need not go into minor details as to my visits. No doubt the Illustrious Deputies in the different Provinces will give full reports.

Too much credit cannot be given to those zealous brethren of Toronto, Hamilton and London, who started off the Rite in such good shape in Windsor, working nearly all the degrees from the 4° to the 14°. Nor to the brethren of Winnipeg, who at much sacrifice, started the Chapter of Rose Croix in Regina, and who have promised to inaugurate the Rite in Fort William, if they have not already done so.

There is one portion of my jurisdiction I have never visited, Newfoundland. I think the matter of introducing the Rite into that country might be taken up seriously. There are several lodges and many good members of the craft in St. John's, and it might be that the Scottish Rite could be properly introduced at this time.

REPORTS.

The reports of the Deputies for the different Provinces will show the state of the Rite in each Province, which I trust you will find satisfactory. There is a considerable increase in membership over last year, notwithstanding the number of eligible brethren who have gone to fight for their King, their country and the cause of oppressed and suffering humanity.

The reports of the Secretary-General and the Treasurer-General will also be laid before you, as well as the report of the Committee appointed by me, at the request of the Treasurer-General, to examine into and report upon the Securities. I think this or a similar Committee should perform the same duty yearly and report to this Supreme Council.

And now, Peers and Brethren, I am at the end of my term of office. I have endeavored for the past three years to perform my duty and I hope my work has been satisfactory to you. If the increase in the membership of the Rite has not been so great as you might have expected, do not forget that nearly three hundred and sixty thousand of the best men in Canada have

gone to the front. Many of these joined the craft lodges before leaving, but the Scottish Rite has naturally suffered by the removal of hundreds of the best Masons in the country who would have joined.

I hand to you the sceptre, which you entrusted to me three years ago, with my best wishes for the continued success of the Rite in all parts of the jurisdiction, and with the earnest prayer that peace and prosperity may soon prevail over all parts of the globe, as it does at the present time over this great Canada of ours.

BENJAMIN ALLEN 33°,
Sov ∴ Gr ∴ Commander.

On motion the address was referred to a Special Committee whose members were named by the Sovereign Grand Commander as follows: Ill ∴ Bros ∴ CAMERON and FREED.

The Annual Report of the Secretary-General and that of the Treasurer-General were then presented and read, as follows:

**To the Supreme Council of the A ∴ & A ∴ Scottish Rite for the
Dominion of Canada.**

We have seen and examined the above Debentures and are instructed that they are such as Trustees, in the Province of Ontario, are authorized to invest in: We also verified the Bank Balance as at 21st October, 1915, \$2,544.40.

Since last report the following Debentures have matured

These amounts being re-invested in War Loan.

Referring to Statement it will be noticed that the first five Debentures are made payable to trustees for the Supreme Council, the rest being payable to bearer. To specially register the ownership of them with the respective Municipal Councils would entail considerable trouble, particularly at their maturity, or if it was necessary to realize on any of them before that time.

We would respectfully submit that it seems to us in justice to the Supreme Council and the Treasurer-General that these Securities should be audited annually and the interest earned duly verified. We can certify that everything is correct for the past three years—we did not go back further.

All of which is respectfully submitted.

JAMES GLANVILLE 33°,
WILTON C. EDDIS 33°.

On motion by Ill. ∴ Bro. ∴ GLANVILLE this report was received and adopted.

REPORTS OF DEPUTIES.

The following reports of the Deputies of the Supreme Council for the different Provinces were then read:

ONTARIO.

To the Supreme Council A ∴ & A ∴ Scottish Rite for the Dominion of Canada:

ILLUSTRIOUS BRETHREN:

I beg to submit my third Annual Report as Deputy for the Province of Ontario. I am more than pleased to state that the affairs of the Rite in this Province have never been so prosperous or the future looking so bright as at the present time. New lodges having been established, old ones taking on a new lease of life, there is an air of great healthiness throughout the whole Jurisdiction.

While the war has made great inroads in our membership, its heart-rending and soul-stirring effects have aroused our members to a greater appreciation of the sublime lessons taught in our Order.

The net increase in our membership in Lodge and Chapter is about 200 compared with about 120 last year. The increase in the Consistory is 19.

DISPENSATIONS.

I have exercised great care in granting Dispensations to waive the time limit between degrees.

To our members who have enlisted for active service I have willingly granted any Dispensation they asked for.

BARRIE.

It is with unbounded satisfaction that I am able to report to you that on September 27th a number of the Hamilton brethren accompanied me in a special train to Barrie, where we were received and entertained in a most hospitable manner.

The Murton Lodge officers under JAMES GILL 32°, T.P.G. M., exemplified the fourth, fifth, ninth and fourteenth degrees, in the afternoon, when eight candidates were admitted. In the evening the officers of the Hamilton Rose Croix Chapter, under the leadership of THOMAS BOOKER 32°, M.W.S., exemplified the fifteenth and eighteenth degrees, when twenty-one candidates were admitted. Afterwards I held an election and installed the officers of Spry Chapter.

I have every confidence in Barrie Valley rapidly assuming its proper place in Scottish Rite work, thanks to the staunch loyalty and unwavering support of Ill ∴ Bro ∴ JORY 32° and Sov ∴ Pr ∴ MARR 18°.

FORT WILLIAM.

A Dispensation has been granted to organize a Lodge of Perfection in Fort William, to be known as Superior Lodge.

As there are about 1600 Master Masons residing in this district at the present time, all imbued with the Western spirit of progress, I have no doubt this Valley will be quite successful.

The Sault Lodge of Perfection passed a resolution agreeing to the division of their Jurisdiction and wishing the new lodge every success.

GUELPH.

Both Lodge and Chapter have been active during the year, but owing to a number of deaths and suspensions the net increase is not very great, although the meeting this month will show a decided increase.

There was a Reunion held in the month of June, when a number of candidates were admitted, and practically all degrees were exemplified.

HAMILTON.

All three bodies here are continuing their work in the most gratifying manner. The net increase in membership in the Lodge of Perfection being twenty-nine, Rose Croix Chapter ten, and Consistory nineteen.

Both Reunions were most successful, being attended by a large number of visitors and the work most impressively rendered. There is a strong spirit of fraternity in this Valley and a splendid band of active workers. It does not seem to be any sacrifice of time or money for them to go whenever and wherever asked, if the interests of Scottish Rite Masonry can be advanced by their assistance.

Hamilton suffered a severe loss in the death of Ill ∴ Bro ∴ DONALD MCPHIE, 33° He was a man highly esteemed and loved by all who knew him, was most prominent in Church work and charitable institutions, as well as being a lover of sports of all kinds; a thorough gentleman; had a charitable and kind-hearted disposition; he loved his Church and Masonry, and was always to be found in his place at meetings of both Church and Lodge, where his genial disposition and sound judgment were of great assistance.

KINGSTON.

The Lodge and Chapter have been holding their meetings regularly. The best evidence of this is that the increase in membership in the Lodge of Perfection has been fourteen for the year, and the Chapter, six.

It is their intention to hold a two days' Reunion in November, when the degrees from the fourth to the eighteenth, inclusive, will be exemplified.

It is most interesting to see the rapid progress being made by the new officers in this Valley.

LONDON.

Owing to the large number of deaths and withdrawals the Lodge of Perfection has decreased in membership three, notwithstanding eleven initiations during the year.

It was my pleasure to visit London on November 15th, when I witnessed the conferring of a degree by Ill \therefore Bro \therefore Rev. DR. HARPER, of Clinton, and officers from that town. The ritual was most impressively rendered.

Another pleasing feature of this meeting was a free and frank discussion on the invasion of their territory by the organization of a Lodge of Perfection at Windsor. The conclusion finally arrived at was that they would assist Windsor in every way possible, believing that the establishment of a lodge in Windsor would be in the general interest of the Rite.

OTTAWA.

This is one of the most satisfactory Valleys in my Jurisdiction. The increase in their lodge this year is nineteen, and in the Chapter, twenty-four.

In addition to this they render annually a very complete financial statement. The financial condition of both bodies must be as pleasing to its members as I know it is to you.

SAULT STE. MARIE.

The Lodge has held regular meetings throughout the year. The net increase in membership is four. The Chapter has also increased its membership.

Both Lodge and Chapter have lost a number of their members by death. They have also suffered severely by many of their prominent members enlisting for overseas service.

I understand the meetings are well attended and the work well done by the officers who have charge of the various degrees.

TORONTO.

The Toronto Lodge of Perfection has surpassed all previous records and has increased its membership thirty-three; and since the returns were made has practically doubled this number.

This, in my opinion, is a step in the right direction, as a constituency as large as Toronto, embracing so many eminent Masons, should have the strongest Lodge of Perfection in the Province. The high ideals of our Order are too important to be withheld from any deserving brother.

The Toronto Rose Croix Chapter has met regularly and is doing excellent work. Its membership has been slightly increased during the year.

WINDSOR.

I am pleased to report that a strong Lodge of Perfection has been established in this Valley under the able leadership of Brothers REID, GATFIELD and WOOLLETT.

The Lodge was formally opened by me on April 29th, accompanied by about sixty Hamilton brethren, including Brothers BALLARD, MOORE, GRIFFIN, DAVIS and LOGAN. We journeyed to Windsor in a special train and were met there by Ill. ∴ Brothers WEBSTER, RIGGS, McKNIGHT, CLEWLO and EDDIS, of Toronto, as well as a number of other Toronto brethren, who

had reached there in a special car; and later in the day were joined by a number of brethren from London accompanied by Brothers McKILLOP and LINE.

The work of the fourth and fifth was done by the officers of Hamilton Lodge of Perfection; the 9th and 13th by the officers of the Toronto Lodge of Perfection and the 14th by the officers of the London Lodge of Perfection.

The work was most excellently done by everyone, and the forty-seven candidates who received these degrees were deeply impressed with the high ideals of Scottish Rite Masonry, and after the meeting, formed themselves into a Club, which will keep them more closely in touch with each other.

The officers of the Lodge have divided the work so that the fourth degree will be done by the brethren from the town of Harrow; the fifth and sixth by the brethren of Kingsville; and the other degrees by the brethren of Windsor.

They are all busy getting ready for a meeting to be held on the 13th of December, when they have a list of twenty-five additional candidates to be initiated.

It gives me great pleasure to submit to you such a favorable report for Windsor.

EASTER CEREMONIES.

I believe the Easter services were held in all the Chapters and the ceremonies fittingly observed.

Fraternally submitted,

F. J. HOWELL 33°

Deputy for Ontario.

QUEBEC.

To the Supreme Council A .: & A .: Scottish Rite for the
Dominion of Canada.

ILLUSTRIOUS BRETHREN:

I beg to report that the affairs of the Rite in the Province of Quebec continue in a satisfactory and prosperous condition.

Regular meetings have been held in both of the Valleys, and the standard of the work and the interest of the members have alike been maintained. In the Valley of Quebec, where the membership is small, absence on active service of several of the brethren has affected the attendance; but this disadvantage has not in any way modified the zeal of the rest of the members.

The Valley of Montreal was honored in January last by a visit from the Sovereign Grand Commander. We exceedingly enjoyed his presence; and he left behind him a universal desire that he would soon come back and visit us again.

The returns of the several bodies, with the usual fees, have been duly forwarded to the Secretary-General, in accordance with the Statutes.

Fraternally submitted,

J. ALEX. CAMERON 33°,
Deputy for Quebec.

Montreal, 19th October, 1916.

NEW BRUNSWICK.

To the Supreme Council A .: & A .: Scottish Rite for the
Dominion of Canada.

ILLUSTRIOUS BRETHREN:

I have the honor to present my Annual Report for the Province of New Brunswick.

I have received the reports and fees from the three bodies working in this Valley, and have forwarded the same to the Secretary-General.

I have approved a new set of by-laws, which have been framed for the St. John Lodge of Perfection.

I have attended all meetings of the various bodies during the year and have installed officers when necessary.

Speaking generally, the work has been well done, and a fair amount of enthusiasm shown in the preparation of the various degrees.

LODGE OF PERFECTION.—There were three members added to the roll; one died; a gain of two. Present membership 107.

ROSE CROIX.—There were two added to the roll, one by initiation and one by affiliation. There was one death. Present membership 95.

CONSISTORY.—There was one member added and one died, leaving the membership the same as last year, 76.

During the year death has robbed us of one of our most active and enthusiastic members—Brother JAMES PATTON 32° died in the City of Montreal in March last. He was a man greatly beloved by everyone of his intimates, both on account of the firmness of his friendship and also for the sunniness of his disposition. He took a great interest in the work of the various degrees, and was always to be depended upon when his assistance was required.

Fraternally submitted,

THOMAS WALKER 33°,

Deputy for New Brunswick.

NOVA SCOTIA.

**To the Supreme Council A ∴ & A ∴ Scottish Rite for the
Dominion of Canada.**

ILLUSTRIOUS BRETHREN:

I have the honor to present herewith my Annual Report as your Deputy for the Province of Nova Scotia.

Since my last report matters in this jurisdiction have been moving along as usual; no great gains have been made in membership, but the interest and large attendance at the various meetings have not lagged behind those of previous years.

Owing to the war a very great many eligible brethren have enlisted and gone overseas, thus preventing any extraordinary increase in application for degrees.

I was called upon for but very few dispensations during the year, and those granted I considered to be for the best interest of the Rite.

I regret that during the year, owing to a severe illness, I was unable to give that personal attention to the affairs of the Rite that I desired, but with the able assistance of Ill ∴ Bros ∴ WETHERBY and WINFIELD everything was carried on as planned and in a satisfactory manner.

I am still unable to do any lengthy travelling, and am so advised by my medical man, and I fear that I will have to reluctantly give up any idea of being present with you this session, but I hope before long, with restored health, to continue my duties as in previous years.

A detailed statement of the returns of the several bodies has been duly forwarded to the Secretary-General, which I trust will prove satisfactory to the Ill ∴ Brethren.

Respectfully and fraternally submitted,

W. M. BLACK 33°,

Deputy Province of Nova Scotia.

PRINCE EDWARD ISLAND.

To the Supreme Council A .: & A .: Scottish Rite for the
Dominion of Canada.

ILLUSTRIOUS BRETHREN:

I have the privilege and honor of submitting my Annual Report on the condition of the Rite in the Province of Prince Edward Island.

Notwithstanding the demands that this terrible war has made upon our time, thought and activities, we have found some time to devote to the interest of the Rite and its elevating and humanitarian teachings; and the bodies of the Rite, I am pleased to report, have made some progress, degrees having been conferred in all of them.

In the Lodge of Perfection three received the degrees 4° to 14°.

In the Chapter five G. E. P. & S. Masons were made Sovereign Princes; and in the Consistory one received the K. of K. —H. degree.

But death has entered our portals and removed three members of the Rite. Bro. RONALD McMILLAN 14° died on October 3rd, 1915, at Vancouver, to which place he had removed some years since. Bro .: McMillan was a Past Grand Master of Prince Edward Island and was much esteemed for his genial and kindly disposition, being loved by all who knew him.

Bro .: W. A. BRENNAN, a Past Deputy Grand Master and one of the five who went to St. John, N.B., and received the degrees 4° to 32°, died suddenly on the 18th of January, 1916, at Summerside; and Bro .: T. A. COSSMAN, Past Grand Master of the Grand Lodge of Nova Scotia, died at his home in Halifax, on April 25th, 1916.

He was elected to become a member of this Council but did not find the opportunity to have the honor conferred upon him.

I issued Dispensation to elect and install officers in the Lodge of Perfection on the 27th of April, 1916, and afterwards installed them.

The T.P.G.M., Bro ∴ A. S. MacKAY, is now at the front as a non-commissioned officer in the 105th Battalion.

Bro ∴ A. S. MacKay, the T.P.G.M., and at present the Sovereign Master of the Charlottetown Chapter, was very active, as he is in all he undertakes, in the campaign that recruited this Battalion.

Bro ∴ REV. DR. FULLERTON, Chairman of the Patriotic Society, has put immense energy and much time into that work and also into that of recruiting—also Bro ∴ JUDGE STEWART; in short, our membership has been doing leading work!—as they should—in behalf of all the calls arising in connection with the war conditions.

Illustrious Bro ∴ Dr. MACNEILL, I regret to say, has not improved in health, but is able to be around among the members always encouraging and enthusing the craft, his love being especially centred on the A ∴ & A ∴ S ∴ R ∴

The returns from the different bodies have been forwarded to the Secretary-General and show a membership of 55, 40° and 30° in Lodge and Chapter and Consistory respectively.

The books and accounts of the different bodies are well kept Bro ∴ Inman getting things in better shape all the time.

As far as I could see there is no falling off in interest and admiration for the Rite in the Valley of Charlottetown, though these are years when nearly everything not necessary to existence is put aside, and the pressing duties due to King and country take first place in the thoughts and doings of men.

Fraternally submitted,

D. DARRACH 33°,

Deputy for Prince Edward Island.

MANITOBA AND SASKATCHEWAN.

**To the Supreme Council A .: & A .: Scottish Rite for the
Dominion of Canada.**

ILLUSTRIOUS BRETHREN:

It is my pleasure to report that Scottish Rite Masonry in this Valley is progressing, the very best of good feeling prevails and there is perfect harmony amongst the brethren.

Too much praise cannot be given to the officers and members of the different bodies for the excellent work they are performing, both as to the working of the degrees and the manner in which the necessary routine duties are conducted.

The returns for the past year, which were furnished by the Secretary, make a very creditable showing, despite existing conditions, and the winter's work in this Valley is likely to be heavy; it has been most carefully planned and is expected to turn out most satisfactorily.

The material selected continues to be from our very best, and the Character Committees are most guarded when making their reports, so that only those deserving of advancement are allowed to pass them, thus keeping up the standard most desired when admitting new candidates.

As regards Regina, it would appear that the two bodies there are doing very nicely.

Owing to illness, while in the East, I was unable in May last to officiate at the opening of the Chapter. My thanks are due to those who took my place. A goodly number of the brethren went from here in a private car and gave the Chapter a splendid send off. They were royally entertained by the Regina members.

The Grim Reaper has visited us this year and called two of our members to their reward. While they were not very active, their attendance at meetings was regular and we will miss them from amongst us.

Fraternally submitted,

T. HARRY WEBB 33°,

Deputy for Manitoba and Saskatchewan.

BRITISH COLUMBIA.

To the Supreme Council A .: & A .: Scottish Rite for the
Dominion of Canada.

ILLUSTRIOUS BRETHREN:

I beg to submit this, my annual report, of the work and standing of the different Scottish Rite bodies in the Valley of Vancouver for the year 1915 and 1916.

Fairly good progress has been made, considering the severe depression which has prevailed throughout the year in this Province.

A fair increase of members by initiation is exhibited by our returns, while the attendance at our several meetings (in spite of so many of our members having enlisted and gone to the war) has continued to show a very good average.

Sixteen initiations for the Lodge of Perfection occurred during the year, one withdrawal, two suspensions and three deaths; leaving a total membership of 295. In the Rose Croix Chapter there were ten initiations, one withdrawal, one suspension, and three deaths; leaving a total membership of 187. The Consistory shows no change by initiation, but one withdrawal, one suspension, and three deaths exhibits a reduction in membership of four from last year's report, so there are now 108 members.

This condition, however, will not continue, as there are several candidates in waiting and next year will show a respectable increase.

Illness of myself, and the absence of several brethren who usually assist me in the 32nd degree at our Reunions, is the chief cause of no initiations this year.

The Great Architect of the Universe has sent his angel of death amongst us during the year, and three of our esteemed brethren have answered the call. We mourn our loss but con-

sole ourselves with the reflection that it is their gain, and they are now resting in peace from their labors in the Great Beyond. I might mention in particular Ill. ∴ Bro. ∴ T. MICHELL, who was our Sentinel, Guard and Tyler; a better and more conscientious, lovable, serving brother would be hard to find; always at his post, and never a word of complaint ever passed his lips; a bright, cheerful, happy disposition, meeting you at all times with a smile and some kind word. We will miss this brother more and more as the years roll by.

Our annual Reunion was held in February, a fairly good attendance from the outside districts and a fair class presented themselves for initiation. The degree work, I understand, was very satisfactory, while the usual festivities at the close of the Reunion was exceptionally pleasant and enjoyable.

The Easter Ceremonies were held, as usual, with a very large attendance, our accommodation being taxed to the limit.

There were no dispensations issued by me during the year, a feature quite unusual in this Valley, which I would like to see become permanent; but a Province such as this, of magnificent distances, makes this desire practically impossible of attainment.

I paid an official visit to Vancouver Lodge of Perfection at its regular meeting on March 10th, for the purpose of installing its officers for the ensuing year. I was accompanied by Ill. ∴ Bro. ∴ F. J. BURD 33° and Ill. ∴ Bro. ∴ W. DITMARS 33°, who rendered me valuable assistance in this ceremony. It was the first time we have had a full Installation Ceremony performed, always in the past using the short form for want of a Ritual, this work having been supplied by our Secretary-General during the year, I felt it incumbent on me to adopt it at the earliest opportunity. The keen interest exhibited by the brethren and the very large attendance was evidence of appreciation for the trouble we went to. In future this ceremony will be carried out in full form, as I am sure in doing so it will add considerably to the interest of both officers and brethren.

A large number of our brethren have gone to the front and every week we see the number increasing, and while we deplore this weakening of our ranks, we glory in the knowledge that so many of our brethren are prepared to do their duty defending our King and Empire, as well as some of the most cherished principles of Masonry—Freedom, Liberty and Equality.

The yearly returns, accompanied with the regular per capita fee, have been sent in to the Secretary-General. I have no doubt they will be found correct.

Everywhere throughout this Valley peace and harmony prevail and a very hopeful future is promised so soon as this terrible war is at an end; in fact, already evidence of returning prosperity is seen on every hand, and in this, no doubt, the Rite will soon participate.

I regret very much my inability to attend this year's Supreme Council meeting; financial and other considerations make it impossible for me to leave home at this time, and none will regret it more than myself not being present.

I beg to tender our Sovereign Grand Commander, and all the Illustrious Brethren, my heartiest greetings and good wishes for a successful and largely attended meeting.

Fraternally submitted,

J. R. SEYMOUR 33°,
Deputy for British Columbia.

ALBERTA.

To the Supreme Council A ∴ & A ∴ Scottish Rite for the
Dominion of Canada.

ILLUSTRIOUS BRETHREN:

I herewith submit my annual report on the condition of Scottish Rite Bodies in the Valley of Edmonton.

Owing to conditions existing throughout the West the progress made has not been very great, but, I think, must be considered as fairly satisfactory, an increase of eighteen in the three bodies.

Our annual Reunion was held in February and proved very successful, there being a good attendance and great interest taken in the work; during the two days we conferred the degrees 4° to 18°.

On the 16th June we had four candidates for the Consistory degrees, and owing to the distance that some of them had to come, and it being very doubtful if they would be able to again make the trip at a later date, I was asked to waive the time limit, and after considering the matter very carefully, I decided it would be in the interest of the Rite to grant the request; I therefore issued a dispensation for each as per list of names in the report.

The usual Easter ceremonies were held in April with a fairly good attendance from the City and some from outside the Province.

It is with feelings of deep regret that I have to report the death of Ill ∴ Bro ∴ CAPT. H. S. MONKMAN, who was killed in action while doing his duty somewhere in France. Bro. Monkman was a valued member of the Rite and will be sadly missed by all.

I regret being unable to attend the meeting of Supreme Council, but time, distance and other obstacles stand out so prominently that it will be impossible.

Fraternally submitted,

GEORGE T. BRAGG 33°,

Special Deputy for the Province of Alberta.

On motion by Ill ∴ Bro ∴ MACWATT, seconded by Ill ∴ Bro ∴ CHIPMAN, the thanks of Supreme Council were accorded to Ill ∴ Bro ∴ Moore for his courtesy in conducting the installation.

In his response the Illustrious Brother recalled the fact that forty-two years ago one of his predecessors in office, General ALBERT PIKE, was the first to conduct this ceremony in this Supreme Council.

It was moved by Past Sovereign Grand Commander GIBSON, seconded by Ill ∴ Bro ∴ H. A. MACKAY, and resolved,

That whereas an intimation was some years ago received that during the Balkan wars the Supreme Council for Turkey ceased to exist in an active condition, and that its documents and records had been taken possession of by Ill ∴ Bro ∴ SAKAKINI 33°, who had been instrumental in effecting the organization of that Supreme Council, this Supreme Council doth hereby formally cease to recognize the existence of a Supreme Council for Turkey.

The Session of Supreme Council was closed at 5 p.m.

On Thursday, October 26th, the Supreme Council resumed labor in General Session at 10.45 a.m.

The Special Committee on the Address of the Sovereign Grand Commander presented the following report:

**To the Supreme Council A ∴ & A ∴ Scottish Rite for the
Dominion of Canada.**

ILLUSTRIOUS BRETHREN:

The Committee on the Address of the Sovereign Grand Commander join with him in rejoicing because Supreme Council has the privilege of meeting once more in the city of Montreal, and of enjoying the hospitality of the brethren of the foremost city of the Dominion.

With him we trust that the great world war will be brought to a speedy and successful conclusion in a satisfactory peace, that shall safeguard the liberties of small States and result in an international league that shall make future wars impossible.

We join him in deploring the loss of our departed brethren of this and sister jurisdictions, and in trusting that they are safe in the gracious keeping of our All Compassionate Father.

We are grateful to the Sovereign Grand Commander for giving so much time to the cementing the friendship between this and sister jurisdictions of the United States by fraternal visits.

We approve of the prudent and judicious non-action of the Sovereign Grand Commander with respect to communications from Argentina and Portugal; and we suggest that it be left to the Sovereign Grand Commander to act as he may deem advisable in regard to the communications which he reports having received from the Supreme Council of Switzerland.

The correspondence with the Sovereign Grand Commander of the Supreme Council for Greece, having been closed to the entire satisfaction of that distinguished brother, needs no further-comment.

We approve of the dispensations granted by the Sovereign Grand Commander during the year; rejoice with him because of the prosperous condition of our Order in this jurisdiction and recommend that Supreme Council adopt his suggestion for continuing the Committee appointed to report upon the securities belonging to Supreme Council.

Finally, we congratulate Supreme Council upon the fact that Most Puissant Brother ALLEN has consented to accept for another term the office of Sovereign Grand Commander, which for the past three years he has filled with such eminent ability, and so greatly to the benefit of the Order.

Fraternally submitted,

J. ALEX. CAMERON, 33°,

A. T. FREED, 33°.

On motion by Ill ∴ Bro ∴ CAMERON, seconded by Ill ∴ Bro ∴ FREED, this report was received and adopted.

The Committee on the Doings of Inspectors- General and Special Deputies presented the following report:

**To the Supreme Council A .: & A .: Scottish Rite for the
Dominion of Canada.**

ILLUSTRIOUS BRETHREN:

Your Committee on the Reports of the Illustrious Deputies for the different Provinces are pleased to note the continued satisfactory conditions of the Rite throughout the jurisdictions. In view of the fact that so large a number of the craft have offered their services and gone overseas to assist in fighting the battles of the Empire for liberty, righteousness and the future peace of the world, the reports presented by the Deputies of the various Provinces show that notwithstanding this fact, the Rite generally is in a most healthy condition, and in some of the Provinces more prosperous than it has been for years past.

Reunions have been held, as usual, in the larger centres and these meetings have been an inspiration to the members and given an added impetus and enthusiasm for the best interest of the Rite.

Your Committee are also pleased to note that the granting of Dispensations continues to be carefully guarded and only granted by your Deputies for good and sufficient reasons.

The essential matters of government are practically in the hands of the Deputies for the various Provinces as representatives of Supreme Council with power to do any act not inconsistent with the Constitutions and Regulations of the Rite, the highly commendable success attending their efforts is indicative of the firmness, wisdom and tact exercised by the Deputies for the different Provinces, and your Committee are of the opinion that the interests of the Rite are in safe hands.

All of which is fraternally submitted,

JOHN D. CHIPMAN 33°,
W. H. THORNE 33°,
WM. ALLEN YOUNG 33°.

This report, on motion by Ill ∴ Bro ∴ CHIPMAN, seconded by Ill ∴ Bro ∴ THORNE, was received and adopted,

The Sovereign Grand Commander then appointed the Standing Committees as follows:

On Audit and Finance:—

" " S. A. LUKE.

" " A. McDUGALL.

On Foreign Correspondence and Relations:—

Ill ∴ Bro ∴ A. T. FREED.

" " W. H. BALLARD.

" " H. A. MACKAY.

On Jurisprudence and Legislation:—

Ill ∴ Bro ∴ D. F. MACWATT.

" " J. R. SEYMOUR.

On the Doings of Subordinate Bodies:—

Ill ∴ Bro ∴ JAMES GLANVILLE.

" " JOHN McKECHNIE.

" " DONALD DARRACH.

On the Doings of Inspectors-General and Special Deputies:—

Ill ∴ Bro ∴ J. D. CHIPMAN.

" " W. H. THORNE.

" " W. A. YOUNG.

On the Library and Ritualistic Matter:—

Ill ∴ Bro ∴ W. H. BALLARD.

" " THOS. WALKER.

" " THOMAS LEES.

On the Special Committee to inspect the Securities of the Supreme Council:—

Ill ∴ Bro ∴ JAMES GLANVILLE.

" " W. C. EDDIS.

On motion by Ill ∴ Bro ∴ SIR JOHN GIBSON, seconded by Ill ∴ Bro ∴ STEARNS, it was resolved that the next Annual Session of Supreme Council should be held at the City of London, in the Province of Ontario.

The thirty-third degree was conferred in full form on the following S ∴ P ∴ R ∴ S ∴ 32°, who had been duly elected to receive the same: JAMES BLACK MCKILLOP, London, Ont.; KENNETH BETHUNE, Hamilton, Ont; WALTER CHARLES HAGAR, Montreal, Que., and they were received, welcomed and proclaimed Honorary Inspectors-General, and enrolled as Honorary members of the Supreme Council for the Dominion of Canada.

Ill ∴ Bro ∴ GEO. MOORE, of Hamilton, Commander-in-Chief of Moore Consistory, took occasion to present to Ill ∴ Bro ∴ STEARNS a medal to commemorate his election to Honorary Life Membership in that Body. The Illustrious Brother expressed his satisfaction at the distinction thus conferred upon him in his usual happy and kindly manner.

The Committee on Audit and Finance presented the following report:

Ottawa, October 26th, 1916.

**To the Supreme Council A ∴ & A ∴ Scottish Rite for the
Dominion of Canada.**

ILLUSTRIOUS BRETHREN:

Your Committee on Audit and Finance beg leave to report that they have checked the cash statements of the Secretary-General and Treasurer-General laid before them, and verified the disbursements by vouchers for the year ending 30th September, 1916.

Your Committee recommend that the Securities of the Supreme Council be deposited in a compartment of some safety deposit vault, a key to which shall be held by the Sovereign Grand Commander and by the Treasurer-General.

Your Committee are of the opinion that the cash on hand and presently to be received warrants the investment of an additional three thousand dollars, and recommend that amount to be invested in some trust security.

Fraternally submitted,

E. B. BUTTERWORTH 33°,

JAMES GLANVILLE 33°,

F. J. HOWELL 33°.

On motion by Ill ∴ Bro ∴ BUTTERWORTH, seconded by Ill ∴ Bro ∴ GLANVILLE, this report was received and adopted.

M ∴ P ∴ Bro ∴ GEO. F. MOORE, who had been present continuously at all the meetings of the Supreme Council throughout the Session expressed his appreciation of the warm fraternal welcome which had been extended to him on his arrival, and the personal kindness with which he had been treated during his stay.

On motion by Ill ∴ Bro ∴ MACKAY, seconded by Ill ∴ Bro ∴ WAIT, the thanks of Supreme Council were passed to the Officers and Brethren of the Rite in the Valley of Montreal for the attention and hospitality which had been so generously bestowed on the members of the Council during the Session, and for the courtesy and kindness extended to the ladies of the visiting members of the Council.

The box of fraternal assistance was then passed and the collection donated to the bodies of the Rite in Montreal.

The labors of Supreme Council being ended, the Chain-of-Union was formed, and the Council was closed at 1.30 o'clock p.m., to assemble again in the City of London, in the Province of Ontario, on the fourth Wednesday in October, 1917, at 10 o'clock a.m.

ILLUSTRIOUS BROTHER

Donald McPhie, 33°

HONORARY MEMBER OF THE SUPREME COUNCIL

FOR

THE DOMINION OF CANADA

From the East of the Supreme Council of Sovereign Grand Inspectors-General of the Thirty-third and last degree of the Ancient and Accepted Scottish Rite of Freemasonry for the Dominion of Canada, whose See is in the City of Montreal, in the Province of Quebec, near the B.:B.: and under the C.:C.: of that zenith, which answers unto 45°31. north latitude and 73° 20. west longitude of the meridian of Greenwich.

TO ALL FREEMASONS OF THE ANCIENT AND ACCEPTED SCOTTISH RITE OF THE OBEDIENCE OF THIS SUPREME COUNCIL:

ILLUSTRIOUS BRETHREN:

I had hoped that the year would have passed without any break in our Chain of Union, but such was not to be.

Illustrious Brother DONALD MCPHIE 33°

died on the ninth day of August last, in his eighty-first year, leaving three sons and three daughters. His wife predeceased him some twenty-five years ago. His end was painless; he slept peacefully away and was buried in Hamilton on the eleventh of August. His honorary pall-bearers were: Sir JOHN M. GIBSON 33°, FREDK. J. HOWELL 33°, AUGUSTUS T. FREED 33°, THOMAS W. LESTER 32°.

Our late brother was born in Scotland, in the year eighteen hundred and thirty-six, and settled in Hamilton in eighteen hundred and sixty. He was for many years engaged in the Plumbing and Gas-fitting business, then Government Inspector of Gas and Electric Light, and for some years past he lived a retired life. He took interest in civic affairs and many years ago was a member of the City Council. He was a life-long member of MacNab Street Presbyterian Church and Chairman of the Board of Management for a great many years.

Our brother was always known as a conspicuous example of faithful and earnest service. He never failed in a full performance of any duty undertaken by him.

In the old days when he was Worshipful Master of St. John's Lodge, and later on when he became First Principal of St. John's Royal Arch Chapter, and all through the different chairs leading up to these positions, he was a model of punctuality, precision and fidelity. He was closely associated with our Past Sovereign Grand Commander SIR JOHN M. GIBSON, and our late Brother Senator WILLIAM GIBSON.

His work in the Scottish Rite, in the earlier years of its existence in Hamilton, was singularly conscientious and efficient, but of late years, through advancing age and failing health, he had been obliged to forego to a considerable degree the pleasures of active Masonic work.

Donald McPhie's name will always be, by those who knew him, associated with the ideas of strong-minded Scotchman, the steady-going, ever-reliable and public-spirited citizen, the faithful Church manager, the true friend, the cheerful curler and lawn bowler and the faultless Mason.

MASONRY.

He was initiated in St. John's Lodge No. 170, Scotland, and joined St. John's Lodge No. 40, Hamilton, 21st July, 1867, was Worshipful Master in 1874 and 1875, Assistant Grand Secretary of the Grand Lodge of Canada in 1879, and District Deputy of Hamilton District in 1885.

Royal Arch. He received the degrees in St. John's Royal Arch Chapter No. 6, Hamilton, in 1871, and was Grand Superintendent of the Hamilton District in 1878. He attended regularly the Convocations of the Grand Chapter of Canada.

Royal Order of Scotland. He became a member of the Royal Order of Scotland on the 11th April, 1878, and was for many years one of its officers.

Scottish Rite. Brother McPhie received the degrees 4° to 14° in Murton Lodge of Perfection, Hamilton, in 1875, and was

Thrice Puissant Grand Master in 1877. He received 15° to 18° in the Hamilton Chapter Rose Croix in 1875, and was Most Wise Sovereign in 1889 and 1890. He received the degrees 19° to 32° in Moore Sovereign Consistory in the years 1877 to 1879, and was crowned an Honorary-Inspector-General 33° in the Supreme Council for Canada, on the 28th October, 1903.

Our beloved Brother McPhie was distinguished by his readiness at all times to give assistance to his fellow-men; by the sweetness and charitableness of his judgments, never willing by act, word or thought to injure others; by his fidelity to his engagements, invariably implementing his promise by performance in the spirit as well as in the letter; by his conscientious discharge of his duty at all times and under all circumstances. He was faithful in all the relations of his life.

To the members of his family we extend our sincere sympathy in the loss of a loving father.

As a mark of respect to the memory of our departed Brother the usual badge of mourning will be worn for a period of sixty days from the reading of this letter, and may our Father in Heaven have you in His Holy keeping.

Given under my hand and the Seal of the Supreme Council this 23rd day of September, 1916.

BENJAMIN ALLEN 33°,

Sovereign Grand Commander.
